EXOTIC GENETICS  
Triangle Strains, Amsterdam

## DESCRIPTION:

Grease Monkey ain't playin' around, bringin' you that powerful punch and flavors you can't resist. It's like mixin' the best traits from its OG parents into one badass strain. Every puff hits you with a combo of nutty vanilla and that sweet skunky diesel goodness. And let me tell you, the smell ain't no joke either, with earthy vibes mixed with sugary diesel and just a hint of vanilla sweetness. It's a whole vibe, man.
